The **Lizzy Borden Appointment with Death Show** produced spectacular performances on the main stages of some of Europe's biggest festivals like, "**Sweden Rock**" (Sweden) "**Bang Your Head**" and "**Keep it True**" (Germany) "**Kobetasonic**" (Spain) all to rave reviews unanimously declaring **Lizzy Borden** the hit of the festivals!

In a career spanning 26 years, **Lizzy Borden** was created in 1983 in Hollywood California. Spitting venom, stage blood and dripping grease paint while breathing life into bizarre characters bred precisely for the stage.
